Signature Sheet

- Requirement for attestation of capital assets
- E-signatures are acceptable (using Adobe Sign)

Frequently Asked Questions

- What should I do if I cannot locate a capital asset?
- Can two separate capital assets be merged into one?
- What should we do if we need to remove a federally-owned capital asset?
- Can we get an extension for submitting our inventory worksheet?

FAQ: What should I do if I cannot locate a capital asset?

<u>Answer</u>

- After exhausting all possible resources to locate the capital asset, you can send a memo to Inventory Control at <u>inventorycontrol@umd.edu</u> indicating that the asset is not locatable.
- You will need a unit head's signature to signoff on the removal of a capital asset from your inventory list.
- Enter the appropriate disposition code in the inventory spreadsheet.

FAQ: Can two separate capital assets be merged into one?

<u>Answer</u>

- If the capital assets are combined to make one system, then yes, they can be merged into one asset.
- No disposition code is required.
- In the "Notes" section of the inventory spreadsheet, the department should indicate the main serial number and tag number that will be used to combine the capital assets into one.

FAQ: What should we do if we need to remove a federally-owned capital asset?

<u>Answer</u>

- Federally-owned capital assets may not be disposed until proper disposition is approved by the federal agency
- Please contact Gertrude Rosalyn Logan (SPAC) at <u>glogan@umd.edu</u> for additional information

FAQ: Can we get an extension for submitting our inventory worksheet?

<u>Answer</u>

 Yes. Please reach out the Inventory Control at <u>inventorycontrol@umd.edu</u> to request an extension.
