

# WORKDAY FINANCIAL ACCOUNTING & FDM VIRTUAL OFFICE HOURS Calendar Year 2026

**Every other Thursday from 9:00 - 9:30 AM**

We know that sometimes you just want to talk to someone face to face when you have a question. Join us at this bi-weekly virtual office hour to get your Workday financial accounting and FDM questions answered directly by a subject matter expert (SME).

- Join at any time during the session.
- Be prepared to share your screen so a SME can walk you through resolution.
- Listen to other questions and discussion or log off once your question is answered. This time is for you!

***Please note: Not all topics can be addressed in these sessions. See the list to the right for common topics we support.***
